

container have been tampered with, or when a material deficiency in the recorded quantity of such products is found without evidence of loss by leakage or casualty, or when there is a loss of proof of such products not attributable to variations in gauging, the proprietor shall segregate the container (as necessary) and shall promptly report such fact to the appropriate TTB officer, unless the proprietor acknowledges liability for the tax on the loss and elects to pay the tax on the quantity lost.

(d) *Excessive in-transit losses.* Losses of spirits, denatured spirits, or wines received in bond in bulk conveyances which exceed one percent of the quantity of a product consigned shall be considered as excessive in-transit losses. However, in the case of transcontinental transfers in bond of wine, only losses in excess of two percent of the quantity of wine consigned shall be considered as excessive in-transit losses. The proprietor shall promptly report all such excessive in-transit losses to the appropriate TTB officer.

(e) *Storage account loss limitation.* When the quantity of spirits lost from all the storage tanks and bulk conveyances exceeds 1½ percent of the total quantity contained in the tanks and bulk conveyances during the calendar quarter, the loss shall be taxpaid unless a claim for remission is filed in accordance with the provisions of § 19.41 and is allowed by the appropriate TTB officer.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1323, as amended, 1381, as amended (26 U.S.C. 5008, 5370))

§ 19.563 Loss of spirits from packages.

(a) *Original quantity.* Where there is evidence satisfactory to the appropriate TTB officer that any loss of spirits (including denatured spirits) from any package deposited on bonded premises is due to theft (except where the appropriate TTB officer has made the finding provided for in § 19.561(b)) or is due to unauthorized voluntary destruction, the appropriate TTB officer may require the immediate tax payment of the quantity of spirits so lost, except where the extent of any loss from causes other than theft or unauthorized voluntary destruction can be es-

tablished by the proprietor to the satisfaction of the appropriate TTB officer, the appropriate TTB officer may credit the tax on the loss so established against the tax on the original quantity.

(b) *Alternative method.* Where there is evidence satisfactory to the appropriate TTB officer that there has been access, other than as authorized by law, to the contents of packages entered for deposit on bonded premises, and the extent of such access is such as to evidence a lack of due diligence or a failure to employ necessary and effective controls on the part of the proprietor, the appropriate TTB officer may (in lieu of the procedure prescribed in paragraph (a) of this section) assess an amount equal to the tax on 5 proof gallons of spirits on each of the total number of such packages as determined by him.

(c) *Applicability to packages filled after entry.* The provisions of this section apply to spirits (including denatured spirits) which are filled into casks or packages as authorized by law, after entry and deposit on bonded premises, whether by recasking, filling from tanks, mingling, or otherwise. The quantity filled into those casks or packages is considered to be the original quantity for the purpose of this section in the case of loss from those casks or packages.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1320, as amended (26 U.S.C. 5006))

§ 19.564 Losses after tax determination.

(a) *Applicability.* Pursuant to a claim, the tax on spirits which are lost after determination of tax and before completion of physical removal from bonded premises, may be abated or remitted or refunded or credited without interest to the proprietor of the bonded premises where the loss occurred.

(b) *Conditions.* (1) Claims for losses under this section shall be filed in accordance with subpart C of this part.

(2) This section shall not apply if the tax would have been collectible by reason of 26 U.S.C. 5008(a)(1) if the loss occurred on bonded premises before determination of tax.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1323, as amended (26 U.S.C. 5008))

SHORTAGES

§ 19.565 Shortages of bottled distilled spirits.

(a) *Determination of shortage.* Unexplained shortages shall be determined by comparing the spirits recorded to be on hand with the results of the quantitative determination of the spirits found to be on hand by actual count during the physical inventory required by § 19.402. When the recorded quantity is greater than the quantity determined by the physical inventory, the difference is an unexplained shortage. The records shall be adjusted to reflect the physical inventory.

(b) *Payment of tax on shortage.* An unexplained shortage of bottled distilled spirits shall be taxpaid:

(1) Immediately on a prepayment return on Form 5000.24, or

(2) On the return on Form 5000.24 for the return period during which the shortage was ascertained.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1323, as amended (26 U.S.C. 5008))

Subpart R—Containers and Marks

CONTAINERS

§ 19.581 Authorized containers.

(a) *General.* Proprietors shall use for any purpose of containing, storing, transferring, conveying, removing, or withdrawing spirits or denatured spirits under this part only containers which are authorized by, or under the provisions of this part for such purpose, and a container so authorized will be deemed to be an approved container for such purpose. Except where stated otherwise, the provisions of part 20 of this chapter apply to containers used for containing, storing and shipping of articles, and the provisions of 27 CFR part 24 apply to containers used for storage or transfer of wine. Except for liquor bottles, this subpart does not regulate or prohibit the use on plant premises of any container for purposes other than containing alcoholic substances.

(b) *Alternate containers.* In addition to the types of containers specifically authorized by this part for a particular

purpose, a container of another type may be authorized for that purpose by the appropriate TTB officer on a finding by him that the use of such container will afford protection to the revenue equal to or greater than that afforded by the containers specifically authorized by this part, and that the use will not cause administrative difficulty. If another container is so authorized by the appropriate TTB officer, he shall prescribe the detail and manner in which such container shall be constructed, protected, and marked, consistent with the provisions of this part and the extent of such use. Similarly, where a container authorized for a particular purpose is required by this subpart to be made of specified materials, the appropriate TTB officer may authorize the use of containers made of other materials which he has found to be suitable for the intended purpose.

(Sec. 201, Pub. L. 85-859, 72 Stat. 1360, as amended, 1362, as amended, 1374, as amended (26 U.S.C. 5206, 5212, 5214, 5301); sec. 805, Pub. L. 96-39, 93 Stat. 279 (26 U.S.C. 5002); sec. 807, Pub. L. 96-39, 93 Stat. 285 (26 U.S.C. 5213))

[T.D. ATF-198, 50 FR 8464, Mar. 1, 1985, as amended by T.D. ATF-199, 50 FR 9162, Mar. 6, 1985; T.D. 372, 61 FR 20724, May 8, 1996]

§ 19.582 Spirits for nonindustrial use.

(a) *Determination of use.* Containers of spirits of a capacity of 1 gallon (3.775 liters) or less are considered to be for nonindustrial use, except for those which contain:

(1) Anhydrous alcohol; or

(2) Alcohol which may be withdrawn from bond free of tax.

(b) *Containers.* If not inconsistent with the provisions in 27 CFR part 5, spirits for nonindustrial use may be filled into:

(1) Packages, or

(2) Other containers which are filled during processing operations and contain not more than 10 gallons.

(c) *Bottles and labels.* The provisions of subpart S of this part govern the liquor bottles and labels to be used in bottling spirits for nonindustrial domestic use.

(d) *Cases.* Spirits for nonindustrial use in containers with a capacity of 1 gallon or less shall be placed in cases which afford reasonable protection
